Important Note About the Spring Semester

Time flies—it is almost the end of our Fall Semester and the time to think about upcoming Spring Semester, which starts on January 28th. Re-registration for the Spring Semester opens after Christmas Holidays. We've got quite a few requests to change times or days of the private lessons and we will try to accommodate all these requests. So, if you want to secure your current days, times and teachers please re-register as soon as possible. Because of the limited availability, we will not be able to guarantee your time slot if you re-register after January 21st, 2007. The same applies to our Theory Classes and other group music program. We need to know enrollment before the beginning of the Spring Semester. Re-registration is a good time to talk to administration and instructors about your plans, expectations and concerns. We always welcome your feedback. Our goal is to teach how to love, understand and enjoy music all your life!

New Exciting Program — Keys-for-Kids®

We are glad to announce the new group music program for young kids, which will compliment our "Jolly Notes" program and is designed for children ages 4-11. Keys-for-Kids® is an engaging comprehensive group music program designed to help children discover the world of music through music games, ear training, solfege singing, rhythm activities, and keyboard playing. Designed as a multi-year course, classes encourage development of both the individual's and the group's musical skills. Class time activities cover many aspects of musicianship while accommodating children's attention spans. Children develop a solid musical foundation, regardless of future instrument choice. Classes are taught to small groups of parent-child teams. Groups are carefully organized according to children's age, skill level, and musical goals. For more information about this program please visit our website or give us a call.

Holiday Recitals

Please visit our calendar page <http://sharonmusicacademy.com/calendar.html> for times and programs of our December recitals. If you don't participate in these recitals you are still welcomed to come and enjoy performances. And don't worry—we have plenty of recitals scheduled for the next year and everyone will have a chance to perform.

Looking for a unique gift for the Holidays? A **Gift Certificate** for private lessons or music program could be such a gift. Give a joy of music to your friends and family!
